3. Flushing and Foam Tubes. Lances

Flushing tube, 0°	Made for Flushing.	Flushing tube 70 mm in stainless steel.
Item No. 86401	70mm 0°-50 l/min, Green	Incl. flushing nozzle, nozzle protection and quick coupling male.
Item No. 87155	70mm 0°-50 l/min, Red	This nozzle has a very strong effect when dirt sticks hard to any surface
		<i>Green or Red nozzle protection</i>
Flow at pressure 20 bar		

Flushing tube	Tube with nozzle for Flushing	Flushing tube 70 mm in stainless steel.
Item No. 86400	70mm 15°-30 l/min Blue	Incl. nozzle, nozzle protection and quick coupling male.
		This nozzle is for jobs when using supply pressure below 25 bar.
Flow at pressure 20 bar		<i>Blue nozzle protection</i>

Flushing tubes.		Flushing tubes in stainless steel.
Item No. 80202	600 mm 15°-30 l/min (20bar)	Incl. Flushing nozzle
Item No. 80203	800 mm 15°-30 l/min (20bar)	Blue nozzle protection,
Item No. 80204	1000 mm 15°-30 l/min (20bar)	Quick coupling male.
		<i>Blue nozzle protection</i>
<i>Flushing tubes in diff. Lengths and diff. nozzles on request</i>		

Flushing tube 900 mm special.		Flushing tubes in stainless steel.
Item No. 80208	900mm 15°-30 l/min (20bar)	Incl.
		Flushing nozzle
		Nozzle protection
		Quick coupling male.
		<i>Blue nozzle protection</i>

Item	Technical Data	Description
